

ENGLISH SYLLABUS YEAR 3 2021/2022

A very warm welcome to all our students as well as to their families, to Villa Flaminia Infant school.

This year we have chosen the book *Mouse and Me 3*.

Mouse and Me is designed to develop the whole child. Much emphasis is placed on children's social development through a strong focus on values which are explored through the stories and the cross-curricular content.

The course encourages children's imagination and creativity through different activities, performances, projects and role-plays, which in turn builds their confidence and supports real communication in English.

The course also reflects the importance to children of the natural outdoor world.

In Villa Flaminia we strongly believe that all children learn differently and each child needs to feel accepted for who they are as individuals, in order to do so we adapt the book content to the class through the year.

Mouse and Me 3 is organized into an introductory Hello! Unit and eight main units and four festivals (Carnival, Christmas, Easter, and Summer)
