## English Syllabus

Classes: 2A Eva Maria Motti  
2B Ranjana Raj  
2C Sini Miinala

This year we will be continuing with “Mouse & Me 2” allowing the students to follow other adventures of Robin & Daisy once again. This consists of the following topics:

- Actions
- Face
- Colours
- Family
- Outdoor toys
- Animals
- Space
- Fruit

Throughout these topics we will be reinforcing, introducing and developing learning and communication skills. The three classes will be working together during the year engaging the students in celebrating festivities, making crafts, listening and learning songs, poems and stories.

Our aim is to help the children, through play, to develop confidence with the English language. Each child learns in a different way and at their own pace.
